Local B.O.S. Meeting of faculty of Law - 2/2/2016 -

Resolution for consideration of members through Circulation

① Agenda :

To consider introduction of a new course titled "Cyber Security" for the first year Second Semester of the BBA, LL·B program, the proposed syllabus of which is enclosed (posted) on the reverse page and to delete the moot court training from this semester

Note: While preparing the program structure for the 5 year integrated BBA, LL·B program, only one paper on Information Technology was included. However, it is now felt that one more course on I·T is desirable. Therefore, the Chairman, B·OS consulted the HoD, Computer Science Engg and on the advice of the HoD, C·S·E, it is proposed to introduce the course titled "Cyber Security" in the Second Semester of the First year, which will commence from 8-2-16.

Therefore, the local members of the B·OS are requested to express their opinion on this aspect and based on the consensus, the course will be introduced and it will later be deferred to A·C for ratification of the approval by B·OS and the V·C. The objectives and the outcomes will be prepared, if the members recommend the introduction of the course.
