

Work Shop during the year 2016-2017

Youth Red Cross First Aid Training

A National workshop, “**First Aid Training**” was organized by Department of Biotechnology, KL University, Vaddeswaram, Guntur District, and Andhra Pradesh along with student association BETA on, 24 January 2017. A Total of 200 student registrations were recorded for the workshop. Inauguration ceremony was conducted at peacock hall with Lightening of Lamp followed by prayer song by BETA students. Dr. K.Srinivasulu, HOD, spoke about the progress of biotechnology department and faculty and students research activities. **Dr. Kolla Vijaya Sekhar**, speaker from **Youth Red Cross**, has delivered lecture on the role of **First Aid Training** and its role in society.

Dr. Kolla Vijaya Sekhar focused on how to protect ourself from any danger. He also elaborated about how to give first aid treatment and its significance. The workshop like **First Aid Training** is more useful for the benefit of the society. First aid is the help given to someone who is injured or ill, to keep them safe until they can get more advanced medical treatment by seeing a doctor, health professional or go to hospital. The role of a first aider is to give someone this help, while making sure that they and anyone else involved are safe and that they don't make the situation worse.

The faculty of the department also taken active participation in the workshop, includes Dr. V. Praveen Kumar, Dr. B. Mahendran, Dr. V. Bhadra Murthy, Dr. M.S.R. Krishna, G Siva Reddy, Mr Ramakrishna, Dr. B.J.K Singh, Dr.P.Rajashekar, Dr.Johnson, Ch Felice, Ekleshia S and M Maheswara Reddy. Dr.Giridhar gave the vote of thanks and he acknowledged all the speakers, delegates, faculty members, non teaching staff, ET facilities and Management. The workshop was very informative as well as inspiring to the aspiring students for the benefit of the society. The message was well received by the students, which was evident in the thought provoking questions that were asked at the end of the presentation. At the end of the event, refreshments were served to all the faculty members, staff and students present at the venue.
