Minutes of the IQAC Advisory Committee Meeting

29-08-2017

Hon'ble Vice-Chancellor has chaired the meeting and invited all the members and spelt out the agenda for the day's meeting. He asked the Director, IQAC to proceed further in conduction of the meeting. Discussions took place on the agenda and the minutes were recorded as mentioned.

Agenda 1: To ratify the minutes of last IQAC meeting held on 29th August 2017.

The members approved the resolutions of the meeting held on 22nd June, 2017.

Agenda 2: Implementation of Semester Readiness Program.

Resolutions:

As it is found many teachers are delivering the content for the same course in a different way across the multi sections like, each one using a different PPT or mode and method of teaching the understanding levels of students are being affected. Hence it is proposed to conduct trial classes comprising all the course teachers along with their course coordinators before the commencement of semester class work. Hence it is decided to propose conduction of semester readiness program to the teachers in their allotted courses.

Agenda 3: Online monitoring of peer learning and evaluation activities through LMS workshops

Resolutions:

The monthly audit observations revealed that many faculty are not well versed with the activities of LMS. Hence the Principal, Academic Staff College is requested to conduct extensive training classes on 'Online monitoring of peer learning and evaluation activities through LMS', for all the faculty of university.

Agenda 4: Development of KLU related quality framework

Resolutions: Based on the feedback from Deans, HODs and faculty in charges regarding difficulty in meeting the benchmarks, the Dean Quality proposed for development of a single KLU related quality framework that integrates NIRF, ISI, NAAC and other accreditation, certification and rankings.

Any other item, with the permission of the chair.

As there is no point raised by the members, the Director, IQAC informed the members to maintain the quality culture in the university.

Further the following activities planned are discussed and deliberated at length.

1. Releasing the calendar of activities for the entire academic year in the beginning which helped the departments to plan their activities as per the calendar.
2. The following Reforms have been initiated by the institution
 - (a) Transparent evaluation system.
 - (b) Hybrid grading having both absolute and relative grading.
 - (c) Computerization of examination system.
 - (d) Elimination of evaluation party by making single faculty to correct the answer of all the students for the same question.
 - (e) Auditing of entire question bank and random evaluated answer booklets by the team of experts.
 - (f) Rubrics were introduced in all evaluations such as Lab, Seminar, Term paper, Project, Practice School.
3. The following lists of training programmes are arranged for teachers, staff and students to upgrade their skills.
 - (a) Use of Internet
 - (b) Hands on with Tools
 - (c) Using ICT Gadgets
 - (d) Hybrid Networking
 - (e) Use of In-House Cloud
 - (f) Use of LMS through Moodles.
4. The University has implemented state of the art ERP system. The details are follows:
 - (a) All the faculty at different levels in their positions are defined with proper access rights, which enables them to access the required information.
 - (b) The ERP system is built with intelligence to aggregate, summarise the information and provide the details required as per the level of the employee within the organization.
 - (c) All the departments and cells prepare the monthly reports based on various activities organized by them and the report goes to the Management for

information.

- (d) IQAC sends its audit reports covering compliance of various activities to the management for information periodically.

The meeting is adjourned.
